CCN Position Statement, version 1.0 Biometric Product Essential Security Requirements

STATEMENT:

CCN supports the Biometrics Security Essential Security Requirements (ESR); version 1.0 dated 10 November 2016.

PURPOSE:

The intent of this Position Statement is to make it publicly known that CCN's CB:

- recognizes a need for evaluated devices that are suitable for the use cases identified in the ESR, and;
- the ESR appropriately scopes the security functionality of such devices.

SCOPE:

The CCN reserves the right to revisit this position statement at any stage of the Biometric Product collaborative Protection Profile (cPP) development process.

Should the resulting cPP meet the intent of the ESR the CCN will recommend the cPP for endorsement to conduct product evaluations within the CCN's CB.
