

NSM Position Statement: Stateful Traffic Filter Firewall Essential Security Requirements version 0.2, dated 1 May 2014

STATEMENT

The Norwegian National Security Authority (NSM) supports the Stateful Traffic Filter Firewall Essential Security Requirements (ESR), version 0.2, dated 1 May 2014.

PURPOSE

The intent of this Position Statement is to make it publicly known that NSM:

- Recognizes a need for evaluated devices that are suitable for the use cases identified in the ESR, and
- the ESR appropriately scopes the security functionality of such devices

SCOPE

NSM will revisit its position during each stage of the Stateful Traffic Filter Firewall collaborative Protection Profile (cPP) development.
